2 hr. E/D**

**5/23– Graduation @  
2:00PM**

**5/31 Memorial Day**

### **A message from PTO:**

Thank you to the parents, students and staff of Hardin-Houston for another amazing school year! We had very successful fundraisers this year that wouldn't have been possible without the support of the entire Hardin-Houston community!

We would like to wish our students the best of luck in all of their summer activities and we are looking forward to the 2021-2022 school year!

### **A message from the Principal**

We have made it to the end of the year. What a blessing! In August, we all honestly thought we would be back to remote learning before winter break. As I look back and reflect on this year, I realize how thankful I am that our staff and students all made it through relatively unscathed. We can now enjoy a relaxing summer and prepare to return for yet another year of learning in our building. I want to give out a great big thanks to all the staff at Hardin-Houston who worked so hard to keep our students safe and focused on learning. Everyone did an amazing job, and I feel confident that the students grew in many ways throughout the year. Have a wonderful summer!

### **Upcoming dates:**

May 6: Kindergarten music program 6:30 pm  
May 8: ABC program 9:00 am  
May 17: Board meeting 7:00 pm  
May 18: C Day-specials  
May 19: CATS reward, no specials  
May 20: Field day, no specials  
May 21: D day-specials, 2 hour early release, last day of school

## Counselor Corner

It is hard to believe we are wrapping up another school year. Students have completed many lessons that deal with safety, character education, problem solving, conflict resolution, friends, self-control and many others. Students will receive one more lesson for the month of May and the lessons will vary for each grade level.

For our younger students, we will review some summer safety tips. This will cover water safety, being out in the sun, playing in the woods or near a lake, and weather. Other students will focus on decision making and continuing character education. Our 6<sup>th</sup> grade students will discuss what determines our success and overcoming obstacles before moving into the 7<sup>th</sup> grade.

It has definitely been a busy year, but it was wonderful seeing our students back in the building learning. If you have any questions about guidance lesson or your concerned about your child, please don't hesitate to contact me at [amakela@hardinhouston.org](mailto:amakela@hardinhouston.org) or (937) 295-3010 ext. 1002.
