- 3<sup>rd</sup> Grade Math 5/1
- 5<sup>th</sup> Grade Science 5/2

## student COUNCIL

The Hardin Elementary Student Council Officers presented a check to Shelly Calvert who runs a non-profit organization called "We Love Birthday Parties." The Student Council Body raised funds through various activities this year and chose this non-profit organization because it provides birthday parties to children in foster care and experiencing poverty. Thank you to all elementary students who participated in this year's fundraiser.

## Principal's Message

It's here! The last few weeks of school are upon us. This will be a very fun, busy month. We have a lot to celebrate after a year of hard work. I hope that the students have had a positive experience this year.

We will be offering summer school for the younger students June 5-16 from 8:30-11:30. Information will be coming soon.

I wish everyone a happy, healthy summer. Please encourage your child to continue to read over the summer. The library offers a program that will incentivize reading, so please check it out.

-Mrs. Roseberry

## COUNSELOR'S CORNER

If you have any questions or concerns about what your child is learning, please don't hesitate to contact me at [asarver@hardinhouston.org](mailto:asarver@hardinhouston.org) or (937)295-3010 ex. 1002.

It is hard to believe we only have a few weeks left of the 2022-2023 school year. Most of our students have completed Second Step lessons for the year, or they will be finishing up with a final lesson or two. We are so proud of our students and the growth we have seen through this program. This wouldn't be possible without your help and the help of teachers reviewing skills through "Home Links" and "Following Through" activities. When everyone does their part, students show growth and learn the social and emotional skills needed in life.

Check below to see what your student will learn this month

Young 5's – Summer Safety

Kindergarten – One more lesson in Bullying Prevention

1<sup>st</sup> and 2<sup>nd</sup> Grade – Completed all lessons

3<sup>rd</sup> -5<sup>th</sup> Grade – Two more lessons in the Child Protection Unit

6<sup>th</sup> Grade – Ways to Stay Safe

# WILDCAT HAPPENINGS

First grade had a blast at Learning Tree Farms! We interacted with many animals, planted flowers, hiked through woods and pastures, swung on a tire swing, and played in an obstacle course. Even the rain couldn't dampen our spirits on this wonderful day enjoying our beautiful world.

Many of our elementary classrooms were visited by the Houston High School FFA Chapter. FFA members taught the students how important the Earth is and how it effects out daily lives.

Below are pictures from Mrs. Phipps' classroom.

We can't believe it is almost time for summer! We would like to thank all the parents and students for all their support through the school year with the fundraisers. Thank you to all the parents who have donated food/items to the school this year, we greatly appreciate you!! The PTO wishes everyone a safe and happy summer and we will see you next fall.

The kindergarten students went on a hike today at Aullwood and found trolls along the way! We were so excited to be able to visit Aullwood again this year!

The end of the school year...the closing of one door and opening of another. The Hardin Houston Elementary staff would like to thank all of our families and students for the memories and learning that we have shared throughout this school year! It has been a wonderful year! We hope you have a great summer!!!

## BEST OF LUCK

Wishing all of our student's good luck as they play ball this summer!
