Attention Houston High School Students and Parents:

As a result of Gov. DeWine's directive Houston High School will be closed beginning Tuesday March, 17. Having plans in place to continue educating our students during an extended closure is of critical importance and part of our district safety plan.

Throughout the mandated closure all teachers will make assignments available through Google Classroom. In addition, teachers will be available to help students with assignments during regular school hours Monday through Friday. It is important to remember that students will be required to be active participants in the educational process so that they may continue to make progress over the next three weeks. Teachers have been directed to provide assignments that may be graded and may be part of all students 4th 9 weeks average. We realize that access to the internet and/or devices may be difficult, but solutions are available (i.e. friends and/or relatives, etc.).

If you have questions during the closure please contact me via email at [jjudy@hardinhouston.org](mailto:jjudy@hardinhouston.org). District leadership will continue to keep you updated as information becomes available. This is uncharted territory, but together we will make the best of this unique situation.

Sincerely,

Jeff Judy, Principal
