

## **Student and Family Resources**

Students-It is our goal to ensure that you are continually connected with the same resources over the next few weeks as you are while in the school building. To that end, there will be continued counseling services via electronic means. Ms. Makela and Mrs. Merickel will be available during normal school hours via email for any questions or if you just want someone to talk to. We want to hear from our students and our families! So, please do not hesitate to reach out. Additionally, here is some information that will be of use:

\*Information on how families can talk to their kids about the current situation and the information children are receiving: <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/talking-with-children.html>

\*211 is the Shelby County hotline for any type of help you may need, 24 hours a day. Simply dial 211 from your Shelby County-based phone number. You can also visit their website: <http://shelbycounty211.org/>

\*In Miami County, contact Miami County Job and Family Services: 937 440-3471 (Troy). You can also visit their website: <https://www.co.miami.oh.us/158/Job-Family-Services>

### **K-6 Counseling Resources**

Ms. Makela will be sending periodic counseling lessons and helpful information through to students via Google Classroom. These activities will bring you helpful stress-reducing tips, fun videos, and other interactive websites to keep your brain and body moving!

### **7-12 Counseling Resources**

Mrs. Merickel will also be sending videos, tips, and websites to help students work through this academic staycation via Google Classroom.

\*CCP: Many of you will be concerned about CCP deadline and registrations. For those students who already qualify for CCP, you will be able to do your registration via email conversation with Mrs. Merickel. Registration for Fall courses begins April 6, but we can prepare for that by communicating electronically. Students who are new to CCP and still need to take (or retake) the Accuplacer, the test dates in March are cancelled, so please ensure you register for an April test date. You must meet testing requirements to register for Fall classes.

\*Transcript Requests: Current students and former graduates from years 2007 to 2019 can email a transcript request to Mrs. Merickel. Former students who graduated 2006 and before will not be able to get a transcript until school resumes. You can still email a transcript request to Mrs. Merickel, and it will be processed upon return. Any requests faxed, phoned, or sent via postal mail will also be processed upon return.
