### Principal's Message

April is the last full month of the 2024-25 school year. I'm sure it will fly by. The month is filled with days of testing for all grade levels, but our teachers will still have plenty of time to focus on their curriculum. It is important to get as much covered as possible because summer break will be right around the corner.

The forecast for the weather appears to be rainy, but we will hope for nice, sunny days by the end of the month. The PTO donated the proceeds of the last fundraiser toward our new additional playground equipment. It will be installed this summer, and we are very excited to be able to provide more fun play for the students and community children.

I hope you get to enjoy this spring with all of its budding beauty!

-Mrs. Roseberry

**Congratulations to our

The Wildcat Spirit Card fundraiser was a success! Thank you students and families for selling the cards. Thank you to the teachers for your time in collecting and distributing additional cards for students to sell. All proceeds made during the fundraiser have been donated to school equipment.

Check us out on Facebook to see what the PTO is up to and for latest updates. Thanks for all your help.

First grade concluded their animal research project by proudly creating, sharing, and displaying the habitats that their animal lives in. They took great pride in their creations and the ability to share them with others as they were displayed in the elementary display case for all to see.
