3 rd Gr: 4/8, 4/10	6 th Gr: 4/21, 4/23
Science	3 rd Gr: 4/21, 4/29
5 th Gr: 4/29, 4/30	4 th Gr: 4/28, 4/29

Principal's Message

We are down to 6 weeks left of school for the year. It seems hard to believe how fast time has flown! We will be doing the Ohio State Tests through the first full week of May, and then we will be in the last week of school.

Hopefully, the weather will cooperate the rest of this spring so that the students can enjoy being outside most of the time. I wish you all a safe and fun spring break!

-Mrs. Roseberry

Soar into Summer at the Family Literacy Night

Join us on Tuesday, April 28th
3:15 to 4:00 OR 5:30 to 6:30

Families with kindergarten through 5th-grade students will create a toolbox of fun activities and games to encourage your young readers to keep their reading and writing skills sharp over the summer break. This Make-it, Take-it event will provide you with ready-to-go supplies for fun activities to promote enjoyment of reading throughout the summer!

2nd graders will be participating in Swim Lessons through our local YMCA

Mrs. Koester's Homeroom- April 13, 20, & 27

Mrs. Mohr's Homeroom- April 7, 14, & 21

Mrs. Borcher's Homeroom- April 9, 16, & 23

All Swim Lessons are from 1:00-2:00

WILDCAT HAPPENINGS

To celebrate St. Patrick's Day, Mrs. Dancer's class completed a math activity with Lucky Charms! They sorted and graphed their marshmallows and cereal. Then, they used addition and subtraction to answer questions about their data. They had to use problem solving skills and get creative to count the large amounts of cereal. Of course, they enjoyed eating the tasty treat when they finished their work!

Thank you to everyone who supported the annual spirit card fundraiser. Thank you to the students, parents and staff of Hardin-Houston for making this another successful fundraiser.

We had 72 students attend the reward pizza party for selling at least ten cards! Special recognition goes to Brooklyn Peacock, 34 cards sold! Oakley Davis-Emerson and Jacobi Cruse for selling at least 30 cards.

Ms. Francis' 1st graders enjoyed learning about soil. Amanda Hurley from Shelby Soil and Water brought in a 3D model of what can be found in soil. 1st graders enjoyed exploring and learning about what is beneath our feet.

-Congratulations-

The following 6th graders have made next year's 7th grade Cheer Team

Paulina Mummy

Sophia Graham

Briez Hicks

Olivia Fleming

Audriana Petrovich

Mrs. Phipps' 1st graders had an "EGG"stra special making Memories Monday activity. They were able to hold a baby chick that they hatched. For the last 21 days the students have been waiting patiently for these special chick to make their appearance. As you can tell - there were smiles all around!
