thank you

A special thank you goes out to all of the families who helped our PTO make the Christmas surprise for the staff at Hardin-Houston Local Schools a little sweeter! All of the cookies and candies were yummy!

Friendly Reminder

Our elementary students will go outside for recess as long as the temperature feels like 20 degrees and above. It is very **IMPORTANT** that your student dresses for the weather!

Principal's Message

I hope all of you enjoyed the holidays and all the family time that is included. We are about to start a new year and a new semester. It's always exciting to get a fresh start. We always try to encourage the students to start right and stay right by not letting things slip. It's so much easier to stay on top of things than to try coming from behind!

We never know what the weather will be like throughout the winter months. I am personally hoping that we won't have weather that takes the students out of school. After a 2 week break, they need as much continuity as possible. Regardless, please make sure they come dressed for the weather so we can get outside whenever possible. They all seem to have a much better day if they can burn some energy and get fresh air.

As always, don't hesitate to reach out to your child's teacher if you have questions or concerns. Happy winter!

-Mrs. Roseberry

HHS Band Show and Homecoming Crowning will take place at 6:00pm on Friday, January 17, 2025

Congratulations to our 5th graders for graduating from the DARE program!

The annual Secret Santa shop was a huge success and the students were very excited to shop for their friends and family. Thank you to all of those who volunteered for this special event.

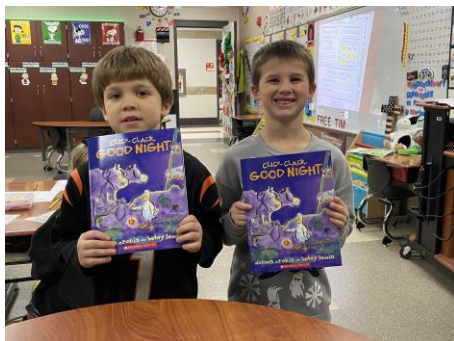

Be on the lookout: beginning of February we will be sending out the spirit cards!

Hope everyone has a great holiday season.

MAKING MEMORIES

1st graders were busy preparing for the holidays! The day started off with Mr. Maier delivering gifts from their adopted calf "Dalahia". The students were so excited to receive their gift. Then, the students prepared gifts for their family members. They learned that giving "gives" them an amazing feeling.

Merry
Christmas!
From, Dalahia
