Principal's Message

As we welcome October, I want to take a moment to thank you for the wonderful start to our school year. September was a busy month as instruction was in full swing, and it has been wonderful to see our students settling into their routines and making great progress.

Throughout September, our students participated in Bus Safety Training, where they learned from Buster the Bus about the proper ways to safely enter and exit the school bus. We appreciate this important opportunity to help our students learn and practice safe bus habits.

Looking ahead, we have a lot of fun things planned for October! With cooler weather, fall activities, and plenty of learning taking place, there is much to look forward to. Please be sure to take a look at our important reminders and upcoming dates for the month ahead.

Thank you for your continued support and partnership. We are looking forward to another wonderful month of learning, growing, and making memories together!

-Mrs. Seger

Our library reading times with Mrs. Lively have also started back up! We are very fortunate to have her in our building each week to share her love of reading with our students. These special reading times are a wonderful way to encourage a lifelong love of books and learning.
